4. Extensive discussion was held concerning the generalities and the specifics of the new list of questions. Basic agreement was obtained on a list after several minimal revisions. The revised list of questions is attached.

5. Each representative was informed to have his principal review both the latest list and the subjectively grouped original questions (as examples of specific questions for which answers will be provided). After completion of this review any problems identified as to missing questions needing answers, etc., are to be forwarded to [redacted]
